

Good morning,

I hope everyone is well.

I would like to invite you to come along to a face to face event in Brighton to hear from the new Chair of NHS Sussex and take part in conversations around key NHS services and programmes. The details and sign up details are below for all of the events. Please feel free to share with friends, family, community leaders and anyone else you think may be interested in attending.

## NHS Sussex Launch Event

A new way of working across health and care locally will start on 1 July and we want you to be part of making it a success. We are working differently across the NHS and wider organisations to help better meet the health and care needs of everyone living in Sussex. We are building on the successful work that has already taken place but we know more needs to be done to improve health outcomes and services for local people.

We invite you to meet and hear from the Chair of NHS Sussex, Stephen Lightfoot, about our plans and priorities for Sussex, and to discuss the health priorities in the places where our events are taking place and the surrounding area. There will also be opportunities to talk to local NHS' senior decision makers on how we can continue to develop and improve following key areas:

- Accessing GP care
- Accessing hospital care, and changes to how hospital care will be accessed and provided
- Mental health services and support
- Accessing your care and health records online, and using digital technology to support new models of care

There will also be opportunities to talk about health priorities for the local areas where our events are taking place.

- Tuesday 5 July, between 2.30pm and 4.45pm, Moulsecoomb Community Hall, Brighton [NHS Sussex Health and Care Launch Event Tickets, Tue 5 Jul 2022 at 14:30 | Eventbrite](#)

Please note that parking is limited at Moulsecoomb Community Hall so you may wish to consider taking public transport.

- Moulsecoomb Train Station is approximately a 5 minute walk.
- The 23, 24 and 25 buses northbound stop at the Brighton University Bus Stop approximately a 2 minute walk.
- The 48 and 49 buses southbound stop at the Brighton University Bus Stop directly opposite the Hall.

We are also holding three online events for those who may be less able to travel - again it will be an opportunity to hear from the NHS Sussex Chair, Stephen Lightfoot, and to ask questions of our expert panel on these same key areas and wider topics.

Click the links to register and the Teams link will be emailed to you ahead of the event:
